We are required to report gunshot wounds or any other wound to law enforcement officials if there is reasonable cause to believe that the wound occurred as a result of a crime. Mental health records may be disclosed to law enforcement officials for the purpose of reporting an apparent crime on our premises.

For public health activities.

We are required to report positive HIV test results to the state epidemiologist. We may also disclose HIV test results to other providers or persons when there has been or will be risk of exposure.

For health oversight activities.

- We may disclose health records, including treatment records, in response to a written request by any federal or state governmental agency to perform legally authorized functions, such as management audits, financial audits, program monitoring, and evaluation and facility or individual licensure of certification. HIV test results may not be released to federal or state government agencies without written permission, except to the state epidemiologist for surveillance, investigation, or to control communicable diseases.

To avoid a serious threat to health or safety.

- We may report a patient's name and other relevant data to the Department of Transportation, if it is believed the patient's vision or physical or mental condition affects the patient's ability to exercise reasonable or ordinary control over a motor vehicle. Healthcare information, including treatment records and HIV test results, may be disclosed where disclosure is necessary to protect the patient or community from imminent and substantial danger.

For worker's compensation.

- We may disclose your health information to the extent such records are reasonably related to any injury for which worker's compensation is claimed.

Insurance Notification

Services provided by Perception Physical Therapy LLC are payable at the time of service. Insurance is a contract between you and your insurance company. We are NOT a party to this contract. We will bill your insurance, and although we may estimate what your insurance company might pay, it is the insurance company that makes the final determination of payments made on your behalf.

I understand and acknowledge that the medical staff will submit my claim to the insurance company on my behalf. I further understand that I will be held responsible for any amount of my medical bills not covered by my insurance policy or claims, and that I will be responsible for paying all deductibles, fees, co-payments, and co-insurance payments required.

It is also your responsibility to notify us if your insurance changes or terminates. You will be responsible for any unpaid services. If you have additional questions, you will need to speak to someone prior to your appointment or contact your insurance company directly for all specific plan benefit information.

Patient Cancellation and No-Show Policy

This policy has been established in order to provide the highest level of physical therapy service to all our patients. It has been proven that consistent attendance provides for the greatest opportunity for success. By providing us notice of a cancellation we may be able to accommodate other patients with your appointment slot.

- Patients must call at least 24 hours prior to their scheduled appointment time, when they knowingly are unable to make their appointment. Cancellations with less than 24 hours of appointment time will be considered a "late cancellation".
- A "no-show" is when a patient does not show up for their scheduled appointment time without prior notice.
- After two (2) "no-shows" and/or "late cancellations" occur the patient (not insurance) will be charged $150 for each missed appointment moving forward.

Our practice firmly believes that a good physical therapist/patient relationship is based upon understanding and good communication. Questions about cancellation and no-show policy should be directed to the office manager at Perception Physical Therapy LLC 907-312-1233.

We understand that emergencies happen. In the event of an emergency (sickness, work related, death in the family, etc) exceptions may be made when adequate documentation is provided.

Please sign that you have read, understand, and agree to this cancellation and no-show policy.
